

Zonefest 2022 Information

Registration opens April 1 at <https://clubregistration.net/events/signUp.cfm/event/12391>

Come join us for the annual Zonefest (Zone 12) of the PCA on Memorial Day weekend in Melbourne, FL. Porsche Melbourne and the American Muscle Car Museum (AMCM) are our primary sponsors for this year's event and it should be an incredible weekend.

During our Friday night welcome dinner/cocktail party at the dealership, you can dream of and possibly even drive one of the new Porsche Melbourne vehicles. Buying one is optional but always a good idea!

Saturday we are spending our day at Mark Pieloch's American Muscle Car Museum – starting with a concours on the beautiful grounds, a tour of their Garage/Maintenance area and a Gimmick Rally in the afternoon. Saturday night we are treated to dinner in the incredible museum – 325+ cars in immaculate condition inside the state-of-art facility including over 40 Porsches! This collection is not open to the public except during exclusive charity events.

The Owner of the American Muscle Car Museum, Mark Pieloch has offered an option to provide a personal tour through the museum to give you the history of numerous cars in the museum and tell you the inside scoop on how he acquired them and their significance. This special tour is \$100 and an excellent and rare opportunity with 100% of the proceeds going to the Boys and Girls Club Charity.

Sunday brings us back to the AMCM for our autocross. The site is amazing! It features a 1/8-mile dragstrip, skid pad, and road course all in one, a driver's dream come true! Expect our usual Space Coast fun and challenging course with approximately 60 second run times. Beginners are welcome as we have instructors available to drive with you to assure you have a positive experience. Register early – we are limiting autocross to 60 participants to give drivers the best experience.

If the autocross is not for you, we have an alternative guided scenic drive to a great historic lunch location, Dixie Crossroads, for you to participate in on Sunday morning. We also have numerous attractions in the area if you just want to go off and do your own thing. Sunday afternoon plan to attend an ice cream social to cool off while you watch a Porsche Tractor display and special car demonstration/ride alongs at the AMCM.

Finally, our Zonefest will close with a delicious banquet at the Eau Gallie Yacht Club on Sunday evening with your choice of delicious Flank Steak or Grilled Salmon, not to mention the Sorbet Trio with fresh berries for dessert. Awards for the weekend's events will be presented.

We have a block of rooms at the Melbourne Rialto Hilton available with special club pricing of \$139/night. Contact the hotel directly at 321-768-0200 ("Zonefest22" is the code to use for

group rate). Rooms are not included as part of this registration. Each registrant is responsible for making their own plans for accommodation.

You do not have to use the same vehicle for every event, but every vehicle needs to be a Porsche.

Concours judging will be exterior, interior, engine compartment and storage areas. Caymans and Boxsters will not be required to open engine area. Your score for that section will be normalized to the average of the other categories for overall awards.

Autocross will use National Parade classes. All autocross drivers will be required to wear a current helmet, per PCA guidelines, and their car must pass a tech inspection prior to being allowed to participate.
